

Parent Technology Workshop Resource

Computer Program Identifications:

- Used to enroll and re-enroll students and acquire needed information about each student
- Point of contact: Jan Warren (916)733-1632, jwarren@cbhs-sacramento.org

- All tuition payments and fees are handled through this program.
- Point of contact: Cathy DeVera at (916)733-3644, cdevera@cbhs-sacramento.org

- Our Student Information System that stores grades and attendance
- Parent go-to location for understanding student course progress
- Point of contact: Jan Warren (916) 733-1632, jwarren@cbhs-sacramento.org

- Our Learning Management System (LMS)
- Students and parents have access to all posted course information, resources, and assignments.
- See upcoming assignments, get the details and expectations for those assignments, submit work digitally (according to instructor's directions), and receive feedback on digitally submitted work.
- Quickly message teachers
- Get information about extracurricular clubs and teams, and engage in class discussion threads
- Point of contact: Ms. Brittany Williams (916)733-3646, bwilliams@cbhs-sacramento.org

- A web-based system used to track medical history, contact information, and medical release forms for all of our students
- As parents are able to enter all information online as well as upload the doctor physical forms if your child will participate in sports. Information can be updated throughout the year as it changes
- Improves privacy for our families—Information accessed digitally instead of on hard copy
- In the event of an athletic injury, you will automatically be notified via phone, email and text message, simultaneously. During the school day, normal contact procedures will be followed
- Point of Contact: Mr. Mike McCarthy (916) 733-3605, mmccarthy@cbhs-sacramento.org

- Used by our students at all grade-levels to do college and career planning
- Activities that the counselors ask students to do each year and use increases as they move from freshmen to seniors
- Parents can see the information by asking their son/daughter to share their log-in information
- Point of contact: Mrs. Cynthia Grajeda (916)733-3680, cgrajeda@cbhs-sacramento.org

- School-wide note taking iPad application that enables students to easily take typed or hand written notes combined with pictures and graphics
- Notability is easy to organize and backup
- For assistance, your student should contact Ms. Brittany Williams in the Learning Commons

- Used by our Christian Service Department to electronically verify hours of service
- Service totals are added to student transcripts in PowerSchool
- Point of contact: Ms. Jennifer Lystrup (916)733-3653, jlystrup@cbhs-sacramento.org

- An online math program used by about ½ of our freshman and sophomore teachers
- that provides online tutorials and assistance for online math problems
- Point of contact: Mrs. Lorie Frias (916)733-3600 x1006, lfrias@cbhs-sacramento.org
