

TB Test Requirement

A TB Test is required for anyone working with the student population at Christian Brothers High School. TB test results are good for four (4) years. If you do not have evidence of your current TB test results, or your TB test has expired, it is necessary for you to make arrangements to have a new test done.

For your convenience, U.S. Healthworks at 1675 Alhambra Blvd. Sacramento, CA 95816 will provide this service for you and bill Christian Brothers High School directly.
