

2020-2021 Student Clubs and Organizations

Education at CBHS is more than textbooks, examinations and report cards. Although these are all important, the goal at CBHS is to develop the whole person. With a diverse and wide-ranging list of student clubs and activities, we encourage all of our students to become involved in campus life outside of the classroom.

Academic Clubs

Club Name	Purpose	Video Link
Academic Decathlon	Scholastic competition	If you are interested in joining Academic Decathlon or would like to learn more, message Ms. Bowers or Ms. Neff.
CB Model UN	Model United Nations is an academic team where students learn about international relations, diplomacy, and the UN itself through skill-building, research, and role-playing activities; emphasis is placed on research, public speaking, consensus building, and negotiation skills.	Tryouts for the team take place in the spring for the following school year. Rising sophomores, juniors, and seniors are welcome to apply at that time.
Engineering Club	Compete in engineering/STEM-related competitions, explore & promote STEM careers, investigate implementing a solar panel project for CB	Click here to view the Engineering Club Day video
Mathletes	Participate in local math competitions	If you are interested in joining Mathletes or would like to learn more about the club, contact Ms. Romani.
Mock Trial	Mock Trial competition simulates a trial proceeding in which students play the roles of pretrial counsel, prosecuting and defense attorneys, witnesses, court clerks, and bailiffs. We compete before a single presiding judge and two to three scoring judges who score individuals based on their legal arguments and presentations.	Click here to view the Mock Trial Club Day video
Moot Court	Moot Court is an academic team for students interested in arguing appellate law at competitions against other Moot Court teams in the Sacramento Area.	Click here to view the Moot Court Club Day video
Robotics Club	Community building through building and competing robots (ROV)	If you are interested in joining the Robotics Club or would like to learn more about the club, contact Mr. Delgado.
Science Olympiad	To place in the Science Olympiad Competition and at the same time	Click here to view the Science Olympiad Club Day video

	practice teamwork and learn to recognize each other's diverse strengths and utilize them to the best of the team's ability. We also aim to cultivate our love of science and encourage others to join us.
