

Dear Incoming Freshman/Transfer Students:

Thank you for considering applying for a Freshman **Lasallian Student Life Council** (LSLC) position. Keep in mind: while being on the Lasallian Student Life Council is an exciting and rewarding experience, it requires immense time commitment. Your full dedication and effort will be vital to your success.

Lasallian Student Life Council (LSLC) at CB (also known as Student Council) is comprised of four class councils, which are led by the Associated Student Body Council. Student councilmembers plan many of the activities on campus, such as dances and spirit days. Additionally, freshman Student Council members represent the Class of 2025 to the school administration and serve as liaisons between their Class (2025) and the Associated Student Body Council. Serving as a Student Councilmember provides an opportunity to learn leadership skills, such as planning and facilitating meetings, planning large events, and time management. LSLC requires a large commitment of time; however, the student gains many skills through this opportunity as well as individual pride in the school.

If you are interested in applying for Student Council, please complete the Google Application Form and the Endorsement for Office (hard copy) attached to this packet.
