Need HELP With Your Homework???

NOTE: For your convenience, local tutors are listed below. This listing does not constitute an endorsement by CBHS. Rates vary and are generally charged by the hour.

If you choose a tutor for your child, we strongly recommend that you contact your child's teachers and let them know that he/she has a tutor. We also highly recommend you let the tutor know the names and email addresses of all of your child's CB teachers so that the tutor and the teachers can communicate frequently about homework, long-term assignments, academic needs, etc.
