

March 2026

Dear Incoming Class of 2030:

Thank you for your interest in the **Lasallian Student Life Council (LSLC)**. Being on the LSLC is an exciting and rewarding experience, AND it requires a significant time commitment. Your full dedication and effort will be vital to your success.

Lasallian Student Life Council (LSLC) at CB (also known as Student Council) is comprised of four class councils, which are led by the Associated Student Body Council (ASB). Student council members plan many of the activities on campus, such as dances and spirit days. Additionally, freshman council members represent the Class of 2030 to the school administration and serve as liaisons between their class and the Associated Student Body Council. Serving as a student council member provides an opportunity to learn leadership skills, such as facilitating meetings, planning large events, communication skills, and time management.

If you want to be part of the Freshman Class Council, please complete the attached application and email it to Mrs. Valine at avaline@cbhs-sacramento.org. The application must be submitted on or before April 27. Between April 28th and May 1st, you will be contacted by email and scheduled for a group interview. You must **check the email address you provide at least daily** and reply to confirm your interview time.

Please read all of the information provided here. If you have any questions, contact Mrs. Valine at avaline@cbhs-sacramento.org.

Thank you for your interest!
