

OFFICE OF THE PRESIDENT

Dear Christian Brothers High School Community,

I am pleased to announce Brendan Hogan '95 as the Director of Admissions & Communications at Christian Brothers High School.

Brendan brings more than 20 years of experience at Christian Brothers as an educator, leader, and communicator. As director of the nationally recognized KBFT program, he has led award-winning student media initiatives while helping tell the authentic story of Christian Brothers through live broadcasts, major events, and admissions programming. His work has helped prospective families and the broader community experience the mission, culture, and daily life of our school.

He has also served Christian Brothers in numerous leadership roles, including Department Chair, Curriculum Committee member, and Faculty Representative. In addition, Brendan has contributed to major institutional initiatives, including the Building on the Tradition II campaign and served on the Lasallian Adult Formation Team, reflecting both his leadership and his long-standing commitment to the vitality of Christian Brothers.

Brendan's approach to admissions and communications is grounded in authenticity, relationships, and a deep understanding of school culture. He believes the most powerful way to share the Christian Brothers story is by celebrating the lived experiences of our students, faculty, and families.

As a proud graduate, Brendan embodies the values of a Christian Brothers education and is deeply committed to advancing our Lasallian mission. He looks forward to helping future generations of students and families discover a community where they can grow in faith, purpose, and belonging.

Brendan will officially begin serving as Director of Admissions & Communications on July 1, 2026.

Please join me in congratulating Brendan and supporting his transition into this important role.

Live Jesus in our hearts...forever.

Dave Perry  
President, Christian Brothers High School

HONORING THE PAST, CELEBRATING THE PRESENT, BOLDLY TRANSFORMING THE FUTURE
