CB provides students with a four-year comprehensive counseling program, dedicated grade-level counselors, two full-time college counselors, and a wellness program to proactively address the many challenges facing teens today.

CB Engineering Program:
Project Lead The Way Engineering is a high school STEM program that teaches hands-on problem-solving, design thinking, and technical skills through project-based courses including:
Fundamentals of design,
Environmental Sustainability, Civil Engineering & Architecture.

Each day, CB students live the motto of "Enter to Learn, Leave to Serve" through the Christian Service Program and student-led service clubs.

100% of recent CB graduates said the academic programs at CB prepared them for the rigors of college.
