

Welcome Incoming Freshman to Christian Brothers High School!

This is an invitation to run for Freshman Class Council.

Please find attached the Student Council application process, should you choose to run for office. Student Council at CBHS is comprised of four class councils, which are led by the Associated Student Body Council. Student councilmembers plan most of the activities on campus, such as dances, family liturgies, and spirit days. Additionally, freshman Student Councilmembers represent the Class of 2023 to the school administration and serve as liaisons between their Class (2023) and the Associated Student Body Council. Serving as a Student Councilmember provides an opportunity to learn leadership skills, such as planning and facilitating meetings, planning large events, and time management. Student Council requires a large commitment of time; however, the student gains many skills through this opportunity as well as individual pride in the school.

If you are interested in applying for Student Council, please complete the attached application. This application is due by Wednesday, May 1st. Selections will be made by interview with the Associated Student Body Council in early June. You will be assigned an interview time based on the number of applications received. Summer Student Council meetings will be optional; however, **Student Council Camp on August 2-4 will be the first required event**. We will hold a parent meeting in the summer to provide more information regarding this camp.

If you have questions, please contact us at sroybal@cbhs-sacramento.org or rholmes@cbhs-sacramento.org.

Thank you,
