

Christian Brothers High School

THE PLACE TO BE

“

**Academic excellence and a caring community
are the primary reasons parents cite for
choosing to send their sons and daughters
to Christian Brothers.**

WELCOME!

Welcome to Christian Brothers High School... *the place to be!*

As educators, we know firsthand the importance of finding the best possible place for your son or daughter to prepare for success in college and life. We are honored you have included Christian Brothers in your search.

Christian Brothers High School truly is *the place to be* if you are looking for excellent academics in a nurturing, faith-filled community. Whether our teachers and students are in the classroom or engaged in Digital Learning Days, the warm, collegial feeling is ever-present and enduring. This comes from the venerated tradition of St. John Baptist de La Salle and his core belief that the sacred mission of teachers is to touch the hearts and minds of the students entrusted to their care. Excellence is the standard as teachers challenge students to engage fully in a curriculum and a community that prepares them well for the academic and social rigors of college.

CB's coeducational, multi-national environment allows students to grow and develop in a healthy setting that reflects the real world they will encounter in college and in their careers. Education at Christian Brothers focuses on finding and fostering the God-given talents and gifts unique to each student. Our dedication to educating the whole child includes outstanding programs in the arts and athletics, as well as unique opportunities for meaningful community service. Clubs and co-curricular programs allow students to fully engage as valued members of our campus life.

While daily operations are undoubtedly different as we navigate the COVID-19 pandemic, we remain grounded in our Lasallian Catholic mission and committed to ensuring that our students and families are well served. Thank you for considering Christian Brothers and we invite you to learn more about the amazing students, faculty, and staff who make up this phenomenal community.

Sincerely,

Crystal LeRoy, Ed.D., President

Annemarie Bacich, Ed.M., Principal

BE PART OF A COMMUNITY

Take a walk on the Christian Brothers High School campus and the feeling of community among the students, faculty and staff is palpable.

In its more than 140 years in Sacramento, this venerable high school has changed locations three times and been known by six different names. What remains unchanged is its inimitable spirit – the Lasallian spirit and tradition of teaching and caring for young people in a community steadfastly dedicated to the intellectual growth and spiritual well-being of its students.

Christian Brothers is an extraordinary community of students from a variety of ethnic, economic and spiritual backgrounds. Together, students learn to recognize their own self-worth, as well as the unique diversity and value of others.

With colleges, universities, primary and secondary schools in 80 countries serving approximately 1 million students, Lasallian educators live by the philosophy that the best teachers touch both hearts and minds.

“

Inclusive community isn't a goal, but a standard; concern for the poor isn't an idea, but an action; respect for all people is a responsibility; and faith in the presence of God is a blessing.

ELMER LIZARDE '16, UCLA '20

BE CHALLENGED

Christian Brothers excels as a college preparatory high school.

Students are challenged to meet their God-given potential with a core curriculum that emphasizes reflective thinking, critical analysis and writing skills. A wide variety of elective courses enhance each student's opportunity to pursue advanced studies in his/her area of interest. Graduates are well prepared for the academic rigors of college and establish habits of lifelong learning and service.

Over **30 HONORS AND ADVANCED PLACEMENT (AP) CLASSES** provide exceptionally rigorous curricula and the opportunity to earn college credits while attending CB.

Academic Programs That Meet Students Where They Are

A panel of experienced educators evaluates every incoming 9th grader to determine the academic program that will best challenge him/her in the freshman year. Placement is based on a number of factors including placement exam results, standardized test scores, teacher recommendations, past coursework, student achievement and grades.

Christian Brothers has three categories of college preparatory curriculum for freshmen:

- Foundational College Prep
- College Prep
- Accelerated College Prep

Beyond freshman year, a student's courses are determined by past performance, areas of interest and teacher recommendations. Students are not locked into a program or placement.

Scholar Program

Highly motivated students who seek the additional challenge of the most rigorous college preparation in all subjects are invited to join the Scholar Program following their first year at CB. Students selected to join the program benefit from activities that promote team building, leadership and Christian service.

Potential Scholars

- Are enrolled in honors courses.
- Meet established grade-level GPA requirements.
- Possess keen critical thinking skills.
- Learn rapidly.
- Desire to serve others through leadership.

Graduating from CB as a Scholar is one of the school's highest distinctions. Students who successfully complete the Scholar Program receive additional recognition at graduation and in their high school transcripts.

LASALLIAN EDUCATION

Lasallian education is rooted in innovation and giving students what they need, when they need it. Current projections indicate that more than 2 million U.S. jobs in science, technology, engineering and math (STEM) related fields will go unfilled. In 2014, CB launched an engineering program featuring an award-winning four-year curriculum to augment its excellent programs in science, technology and math. Providing a program that instills a love of engineering and develops future innovators and creative problem-solvers who also possess deep core values, positions our students for success.

Christian Brothers was named one of “America’s Most Challenging High Schools” by The Washington Post each of the past six years.

The Washington Post

BE AN ARTIST

Christian Brothers' dedicated, motivated and creative media, visual and performing arts faculty encourage and challenge students to succeed.

As Lasallian educators, they focus on finding and fostering the God-given talents and gifts unique to each student.

As part of its ongoing commitment to educating the "whole" child, Christian Brothers enhanced and expanded its commitment to the arts. It now boasts an outstanding roster of eight choral groups, seven instrumental performance groups, three annual theatre productions and numerous art classes and exhibitions. Currently, 600 students (more than half of the student body) participate in the arts.

Freshmen may enroll in visual art, men's chorus, women's chorus, beginning band, concert band or honors band. Both visual arts and the music department offer four-year programs that allow students to pursue advanced study in their chosen discipline. Theatre productions and courses are open to all students.

CB absolutely prepared me to succeed in the classroom. The theatre arts program fostered my love of performing and really instilled in me the confidence to follow my dreams.

KBFT
BROTHERS FALCON TELEVISION

KBFT, the school's student-produced newscast, offers hands-on experience in television, video and audio-engineering production. Rated number one in the nation numerous times since its inception in 2002, KBFT has earned more than 100 national and local awards for best live news broadcast, best news commentary, best music video, best live sports broadcast, best graphics and many other categories. Students may also further their media studies in Sports Broadcasting, Writing for Publication courses and an Advanced Journalism course.

In the spring of 2014, CB celebrated the grand opening of the **GEORGE CUNNINGHAM '40 PERFORMING ARTS CENTER**. This 16,500-square-foot campus gem houses the 350-seat Thea Stidum Theatre, Taylor Family Gallery and two music classrooms.

BE AN ATHLETE

**Education at Christian Brothers
extends beyond the classrooms
into the athletic arena.**

The school's athletic programs provide students with life lessons in teamwork, perseverance, competition and school spirit. Today, more than 700 student-athletes participate in one or more of the school's 27 sports.

Men's Athletics

- Baseball
- Basketball
- Cross-Country
- Diving
- Football
- Golf
- Lacrosse
- Rugby
- Soccer
- Swimming
- Tennis
- Track and Field
- Volleyball
- Water Polo

Women's Athletics

BE INSPIRED

High school years are an ideal time for young people to embrace and celebrate faith. The foundation of our mission as a Lasallian Catholic school is the spiritual development of our students.

Let us remember...that we are in the holy presence of God. Through our Lasallian Student Life program, students explore and experience faith in a community that allows their God-given gifts and talents to flourish. The Lasallian Student Life Office organizes liturgies and prayer services, coordinates a four-year retreat program, facilitates a vibrant Christian Service program and orchestrates numerous enriching co-curricular activities. Students actively participate in planning and putting together liturgies and prayer services and serve as retreat leaders who help organize and facilitate student and family retreats.

Enter to learn, leave to serve. While that motto is proudly inscribed on the tower of the school's state-of-the-art STEM wing, it is also inscribed on the heart of our learning philosophy. The school's Oak Park location provides for meaningful, ongoing service to some of the community's most vulnerable members. Students act as tutors and mentors to the children at the local elementary school. The Lasallian Youth, in conjunction with students in Lasallian schools throughout the United States, organize and participate in service activities and charity drives. Throughout the year, students take part in service projects including feeding the hungry, neighborhood clean-up and helping the homeless.

Lessons taught in the classroom come to life through Christian Service-Learning as students take those lessons and apply them through meaningful service projects that help the school and the community.

DE LA SALLE

At the time of his death in 1719, De La Salle not only left a network of quality schools throughout France, but a legacy of inspiring others how to teach and care for young people. Today the De La Salle Christian Brothers continue that legacy – and have built a distinguished reputation for excellence in education, always in a nurturing, faith-filled environment. In 1876, the De La Salle Christian Brothers and members of the Catholic community brought that legacy to the Sacramento Valley, establishing a Christian Brothers school in Sacramento.

“

Enter to learn, leave to serve is not just a sign on a building. The faculty and staff at Christian Brothers High School work incredibly hard to ensure that students have numerous opportunities and experiences to serve others and grow in faith.

**SELENA CONNELL '17,
TEXAS CHRISTIAN UNIVERSITY '21**

BE CONNECTED

Technology is an important component of 21st century learning, connecting students with the world in real-time.

It is also an essential tool as schools navigate the COVID-19 pandemic. Adapting to today's constantly changing world while protecting students and our broader communities necessitates that CB's teachers be agile and innovative in providing rigorous and relevant instruction both in the classroom and online.

CB is blessed to have a robust technology program anchored by our iPad program in which every student has a device equipped with the tools they need to connect and learn. Students have access to a vast expanse of digital resources and a community of

teachers who are dedicated to continuity of instruction while building on our Lasallian Catholic charism of teacher-student relationships.

While we pray conditions will allow for a full return to campus, and will work diligently to make that happen just as soon as health conditions safely permit our doing so, CB introduced a HyFlex model in which half of our students will join us in person while the other half participate from home. This model, which is based on best practices, allows us to implement important safety recommendations including social distancing, reduced daily in-person contacts for teachers, and enhanced cleaning protocols, while ensuring that we are positioned to seamlessly transition to Digital Learning Days when health conditions necessitate digital learning. Whether on campus or online, our goal is to keep students engaged and connected as part of the CB community.

I'm grateful to be a part of a community that is strong enough to survive and function online. I'm grateful to be at CB, even digitally.

ASHER BLOOM '20

Global Connection

Christian Brothers' Lasallian Catholic mission calls for innovation in ensuring that students are prepared to take their place as ethical leaders in an interdependent, diverse and rapidly changing world. At CB, that means an education that intertwines cultural knowledge, technological skills and integrity.

In 2012, the school launched an International Student Program. Since then, students have come to the school from a wide range of countries including China, Colombia, Germany, Italy, Japan, Korea, Sweden and more. While welcoming young men and women from other countries and backgrounds is only one part of the equation, learning about other cultures is also integrated throughout the curriculum. In a diverse environment of cultures, faiths and ways of living, CB students better understand the various perspectives that frame the world in which they live.

BE IN A REAL-WORLD COEDUCATIONAL ENVIRONMENT

Back in the 1980s when discussions began between the Diocese of Sacramento, Christian Brothers High School, the Board of Regents, students, families, alumni and Sacramento's other Catholic high schools, it became clear that coeducation was an idea whose time had come.

Nearly 30 years after making that transition, the school stands as a stalwart example of just how right they were.

Look beneath CB's excellent college admissions and high standardized test scores, and you will find an inclusive, spirited school community grounded in reinforcing mutual respect and preparing students to thrive in the real world of college and beyond.

A growing body of research shows the benefits of coeducation include:

- Boosted confidence in expressing views in the presence of opposite-gender peers.
- An ability to make friends easily with both males and females.
- More opportunities to participate in co-curricular activities with opposite-gender peers.
- Increased participation by girls in the classroom.

As a Lasallian Catholic school, it is Christian Brothers' responsibility to prepare students to thrive in college, a workforce and world that include both men and women. Rather than separating boys and girls during this important developmental time, educators mindfully facilitate interactions that reinforce mutual respect, collaboration, friendship and learning to appreciate differences in others. Doing so in the classroom is ideal as it is both purposeful and supervised.

“

The education I received at CB would have been incomplete without discussing issues and hearing male and female perspectives. How do you really get ready for college if you haven't worked with half of the population?”

MOLLY HALLSTEN '16, UC BERKELEY '20

BE PREPARED FOR SUCCESS IN COLLEGE

Caring, attentive and highly-skilled college and guidance counselors work closely with each student to ensure they are well prepared, academically and socially, for success in high school and ultimately with the college admissions process.

CB provides students with dedicated grade-level counselors, a four-year comprehensive guidance program and a wellness and prevention program to proactively address the many choices and challenges facing teens today.

In a recent survey of CB graduates, **100 PERCENT OF RESPONDENTS** indicated that CB's academic programs prepared them for the rigors of college.

“

I loved my four years at CB. I met the most amazing people. My teachers challenged me to be my very best and I loved coming to school every day!

Students come to Christian Brothers from **75 zip codes** throughout Sacramento and its surrounding communities.

Christian Brothers leads the region in providing need-based tuition assistance. The school provides **\$2.8 MILLION TO MORE THAN 400 DESERVING YOUNG MEN AND WOMEN** each year.

BE A FALCON

Admissions

Christian Brothers invites a wide range of students to apply for admission. Students who are accepted to the 9th grade each year range from individuals seeking the most rigorous college preparatory curriculum to young men and women needing additional skill development as they prepare for college. Courses are taught to ensure every student reaches his/her potential. Christian Brothers seeks to admit students from Catholic elementary schools, children of alumni and families presently enrolled as well as those from other religious, private and public schools. Since applications exceed the spaces available, all applicants must follow the procedures noted below.

- Complete the online application, including the parent/student questionnaire.
- Teacher Evaluation Forms and Transcript Request Forms are available online or upon request through the admissions office.
- Take the High School Placement Test at Christian Brothers in January.

Please visit our website at www.cbhs-sacramento.org for a complete admissions timeline including important deadlines and test dates.

Transferring to Christian Brothers

Christian Brothers welcomes students interested in transferring into the sophomore or junior year. The school looks for enthusiastic students who are ready to challenge themselves academically and contribute to our school community through service and leadership. All transfer candidates must be academically qualified and in good standing in areas of conduct and attendance.

Students seeking to transfer to CB will need to do the following:

- Complete an online application
- Provide an up-to-date transcript from current school
- Submit recommendation forms from current principal and teachers

Prior to submitting documents, please contact the admissions office at (916) 733-3690 and visit our website at www.cbhs-sacramento.org for more detailed information.

CB DOES NOT DISCRIMINATE on the basis of gender, race, color or racial or ethnic origin in the administration of its education policies, admission policies or tuition assistance.

“

Christian Brothers High School prepared me well for every aspect of college. Academically, I had a solid foundation. Socially, CB reinforced respecting and appreciating the differences in others which is so important in acclimating to the college environment.
