The School: Founded in 1876 by the De La Salle Christian Brothers, Christian Brothers High School is a co-educational, four-year, college preparatory Catholic high school located in Sacramento, California. Christian Brothers High School has made a commitment to remain in Oak Park, an economically depressed neighborhood of Sacramento, the state's capital. The student population reflects the diversity found in the ethnic, cultural, and economic realities of the county and the school strongly encourages this diversity in the composition of its student body. Each year the Admissions Committee considers applicants from approximately 75 parochial, private, and public elementary and middle schools. Enrollment is selective and acceptance is based on several factors, including academic performance, behavioral record, and middle school administrative recommendation.

Motto: Inspired by its Lasallian Catholic tradition, the institution's mission directs the school's efforts to the "intellectual and personal maturity of each student." The school motto of "Enter to Learn - Leave to Serve" encourages students to serve others and is a defining characteristic of a Christian Brothers' education. By graduation, our goal is for students to be not only intellectually competent, but also well-rounded, empathetic, introspective, and caring individuals. The school seeks to attract students of varying academic abilities who can benefit from our Lasallian Catholic education.
