

Dear CB Friend;

Founded in Sacramento in 1876, Christian Brothers High School is a college preparatory school in the Lasallian tradition. We currently enroll 1,106 young men and women, providing them with an exceptional college preparatory education. **Can you please help us with our major fundraising event to benefit these students?**

This year, more than 435 students rely on tuition assistance in order to attend CBHS – more than a third of our student body. And more than nine percent (7%) of our students come from families living in poverty. These talented and deserving kids would simply not be able to attend without our volunteer fundraising efforts and generous support from benefactors like you.

We are preparing for our **2019 Auction fundraiser** scheduled for March 16, 2019. This festive event will provide need-based scholarships for our low income students, raise funds for new curriculum initiatives, and assist with a variety of student-related programs. All the funds raised through this auction directly benefit our students. As parent volunteers, we are working to gather a wonderful array of items for our Live and Silent Auctions.

Last year's auction raised over \$400,000. Please help us make this year's auction an even greater success by donating an item for auction. Donations of merchandise, tickets, gift certificates or other items are gratefully accepted.

Please know that your contribution to Christian Brothers High School helps continue our 143-year tradition of educational excellence and service. Fax, mail or email your donation form to:
