CBHS On-Campus Parking Rules

1. Parking on campus is a privilege. Permits are **only issued to students with a valid driver's license**. All vehicles must be registered with the Dean of Students. The cost is \$25 per year. Lost/stolen permits may be replaced for an additional \$5 fee. Once registered, each student will receive a parking permit that must be displayed from the rear-view mirror whenever parked on campus.
2. Parking permits are **permission** to park in the student parking area in a designated parking space. A permit does **not** imply that a parking space is guaranteed. Students using parking areas accept full responsibility for their vehicles and are advised to take appropriate precautions to protect their property from theft and vandalism. Street parking is available on either side of Martin Luther King Jr., Blvd. directly in front of the campus property and does not require a permit. **Students are strongly discouraged from parking on side streets or into the surrounding neighborhood.**
3. Any vehicle parked on campus may be searched by the administration if there is a cause.
4. Parking lot violations include: 1) Failure to display the required valid parking permits, 2) parking in designated handicap spaces, 3) parking in a no parking zone, 4) parking in a fire lane, 5) blocking entrances to buildings or driveways, 6) unauthorized parking in a reserved parking area, 7) blocking access to trash/recycling receptacles, 8) improperly parked vehicles or 9) other misuse of student parking lot.
5. After a single warning, CB parking tickets may be used (\$10 first offense, \$25 second offense) to encourage compliance with safe parking lot procedures. After the issuance of the final notice, the vehicle will be towed at the owner's expense with any further infraction. Students are subject to all traffic and safety laws while on campus and **are not exempt** from citation by local authorities under their jurisdiction.
6. Students demonstrating excessive speed, careless driving, or continuous disregard for parking safety regulations may have their parking privileges revoked, and/or face disciplinary consequences through the Dean's Office.

By signing below, we state that we accept and agree to comply with the rules Christian Brothers High School has set forth for student parking as outlined above.
