Christian Brothers High School Announces the Hiring of New Principal *David Perry, Ed.D. will join the leadership team at CBHS starting July 1, 2023.*

Sacramento, CA – Christian Brothers High School is pleased to announce that David Perry, Ed.D. has accepted its offer to serve as Principal, beginning July 1, 2023. This announcement is the culmination of an extensive, thoughtful, and inclusive process led by school President, Crystal LeRoy, Ed.D.

David Perry, who has a doctorate in Educational Leadership, comes to Christian Brothers with 15 years of experience working in and leading Catholic school. Since 2018, he has led Cristo Rey High School in Sacramento, CA, as President and CEO. Before Cristo Rey, Mr. Perry was President and CEO of Saint Patrick-Saint Vincent High School in Vallejo, CA. He has also served as Principal of Saint Andrew School in Cape Coral, FL, and Saint James School in Davis, CA. Before stepping into school leadership, Mr. Perry built his educational foundation in the classroom as a teacher. His original inspiration to become an educator came from St. Mary's College, a Lasallian Catholic institution that is owned and operated by the Christian Brothers.

"It was the Christian Brothers at St. Mary's College that encouraged me, formed me, and allowed me to be open to hearing God's call to be an educator," says David Perry. "Now, to live my vocation in a Lasallian community is truly a gift. I feel a deep sense of call to the work of Lasallian Catholic Education, and I am humbled and honored to have been invited by Crystal LeRoy to join the Christian Brothers team."

"David Perry comes to CB with a deep and longstanding dedication to, and appreciation for, our Lasallian Catholic mission," says President Crystal LeRoy. "He holds a bachelor's degree in business administration, a master's degree in business administration and educational leadership, and a doctorate in educational leadership. His education, when coupled with his deep Catholic faith and extensive experience as a Catholic school administrator and teacher, ideally position him to lead our school in providing the best possible spiritual and educational experience for our students, now and in the future."

Along with a love for Lasallian Catholic Education, Mr. Perry's strong connection to CB extends to his own family as his three children currently attend the school. As a parent, he is active in the community and brings a unique perspective to the principal role.

"As a parent for the past three and half years, I have had the pleasure of seeing the positive impact the Christian Brothers community has had on my children, and I look forward to having a hand in providing that experience to other families," says Mr. Perry. "I am also excited about building relationships with all the other members of the CB community and collaborating to further our mission."
